2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Principal's Message

Hello families of Yermo School students. The purpose of the School Accountability Report card is to provide parents and community members with information about Yermo School's instructional programs, academic achievement, materials and facilities, and the staff.

We have made a commitment to provide the best educational program possible for our students. The outstanding quality of our school is a reflection of our highly committed staff. We are dedicated to ensuring that our school provides a welcoming and stimulating environment where students are actively involved in learning academics, as well as positive values. Through our hard work, together, our students will be challenged to reach their maximum potential.

Parents and community play a very important role in our schools. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing improvement.

Yermo School Mission

Yermo School students will achieve at their maximum potential in a safe, engaging, inspiring, and challenging learning environment. Yermo School will work in partnership with students, families and the community to ensure that each student acquires the knowledge, 21st Century Learning skills and core values necessary to achieve personal success and to enrich the community.

2021-22 School Overview

Community & School Profile

Located in the rural high desert of Southern California, 126 miles from Los Angeles and 144 miles from Las Vegas, Silver Valley Unified School District educates nearly 2,200 students in transitional kindergarten through grade twelve. Covering an area of 3,200 square miles, the district serves the communities of Calico, Daggett, Fort Irwin, Ludlow, Newberry Springs, and Yermo.

Yermo School is located in the Mojave Desert off of Interstate 15. Yermo School serves approximately 380 Transitional Kindergarten through eighth grade students on a traditional calendar schedule..

The district is comprised of seven school sites including four elementary schools, one middle school, one comprehensive high school, and an alternative education center.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

--	--

Pursuant to the settlement of Williams vs. the State of California, Silver Valley Unified School District thoroughly inspected each of its school sites at the start of the 2021-22 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 14, 2021.

All students, including English Learners, are given their own individual textbooks and/or instructional materials in core subjects, as well as, foreign language and health (as appropriate), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in August 2021 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

For the curriculums that are not from the most recent adoptions, our site administrators and teachers work collaboratively to construct pacing guides based on the most current academic standards. Part of this collaboration includes matching the curriculum to those standards to ensure students have access to the materials. This collaboration process is held regularly and is ongoing throughout the school year.

Yermo School offered Music to students. The music teacher used the most current VAPA standards to build lessons. The music teacher was also able to collaborate with fellow music teachers in the district quarterly.

All students taking Visual & Performing Arts have sufficient instructional materials.

School Facility Conditions and Planned Improvements

School Facility Conditions and Planned Improvements

Adequacy:

Yermo School was originally constructed in 1949 and fully modernized in 1994. The campus is situated on 7.10 acres and comprised of 25 classrooms, a library, a multipurpose room, a staff lounge, an office building, and two playgrounds. All site facilities provide adequate space for all students and staff.

Safety:

The safety of students and staff is a primary concern of Yermo School. All school building doors remain locked during school hours. Perimeter gates are also secured at all times. All guests to the campus must sign in at the office and wear a visitor's badge at all times. All staff are required to wear identification badges at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among all staff including noon-duty aides, teachers, support staff, and school administration. To safeguard the well-being of students and staff, Comprehensive School Site Safety Plans have been developed for each site by the district. The Safety Plans were most recently updated in March 2022, with all revisions reviewed immediately with the staff. Key elements of the Safety Plan focus on the following: school rules and procedures, disaster procedures, current status of school crime, notification to teachers, child abuse reporting procedures, school-wide dress code, routine and emergency drills, sexual harassment policy, policies related to suspension and expulsion, maintaining a safe and orderly school environment, safe ingress and egress of pupils, parents, and school employees. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and intruder drills, are held regularly. Safety updates and reviews occur often as monthly agenda items during PLC Wednesdays.

Cleanliness:

The school provides a safe and clean environment for students, staff, and volunteers. The District Governing Board has adopted cleaning standards for all schools in the District. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and safe. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and healthy learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the District's maintenance staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Silver Valley Unified School District including regular facilities inspections to ensure that school grounds and facilities remain in excellent condition. A work order process is used when issues arise that require immediate attention. Repair requests are completed efficiently and in the order in which they are received. To assist in this effort, the LEA uses a facility survey instrument developed by the State of California OPSC. The most recent inspection took place in December 2021.

As of December 2021 there are no planned or recently completed facility improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

--

2021-22 Opportunities for Parental Involvement

Parents are encouraged to undertake an active role in their child's education. Parents are welcome to volunteer in the classrooms, chaperone school events and field trips, and participate in the Parent Teacher Organization (PTO). It should be noted that per district policy, parents must complete a volunteer application and complete a screening process in order to act in a volunteer capacity. Volunteer packets are available in the Yermo School Office. For more information for volunteer opportunities at the school, you can contact the office at 760-254-2931. You can reach the PTO at YermoPTO@gmail.com.

Parents also have a chance to affect school policy through participation in the School Site Council (SSC). Parents are invited to provide feedback through yearly surveys, annual Site Strategic Planning Meetings, and through scheduled meetings with school staff and administration.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.48	0.00	0.16	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The safety of students and staff is a primary concern of Yermo School. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among all staff including noon-duty aides, teachers, support staff, and school administration.

To safeguard the well-being of students and staff, Comprehensive School Site Safety Plans have been developed for each site by the district. The Safety Plans were most recently updated in March 2020, with all revisions reviewed immediately with the staff. Key elements of the Safety Plan focus on the following: school rules and procedures, disaster procedures, current status of school crime, notification to teachers, child abuse reporting procedures, school-wide dress code, routine and emergency drills, sexual harassment policy, policies related to suspension and expulsion, maintaining a safe and orderly school environment, safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and intruder drills, are held regularly.

Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element of a sound educational program. Evaluations and formal observations are designed to encourage common goals and comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the "California Standards for the Teaching Profession" which include the following: engaging and supporting all students in learning, understanding and organizing subject matter for student learning, assessing student learning, creating and maintaining effective environments for student learning, planning instruction and designing learning experiences for all students, and developing as a professional educator.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. Teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Topics are chosen that support the district's LCAP and are based on both student and teacher need and by using achievement data. Professional development is offered during regular PLCs, through conferences (out of district), through the SELPA, and through individual mentoring.

2019-2020 staff development topics included: AVID Summer Institute, MTSS training, Pat Pavelka (ELA), Singapore Math Training, Kristin Hilty (Math), Staci McDaniel (Math), Edmentum, PBIS Training, CPI Certification, SPED teacher training.

2020-2021 staff development topics included: MTSS training, Pat Pavelka (ELA), Math Training, Kristin Hilty (Math), SEL Training: Lisa Rogers, Edmentum, PBIS Training through SELPA, CPI Certification, SPED teacher training, various SELPA trainings surrounding topics including wellness, SEL, Diverse Backgrounds; Technology training focusing on Google; Curriculum training for all new teachers

Silver Valley Unified School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school’s local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs’ federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
